

- 1** When you've finished your favourite products, bring them back to your local Clarins counter to be recycled.
- 2** Pop them in our recycling box and we'll send your beauty empties off to TerraCycle® to be recycled.
- 3** For every kilogram of empty beauty products sent back to TerraCycle®, we will donate £1 to the Green Fingers charity on behalf of our customers.

Green Fingers are a national charity dedicated to supporting children who spend time in hospices around the UK, along with their families by creating inspiring gardens for them to relax in and benefit from.

The donations to TerraCycle® go towards building gardens around the country for children and their families to enjoy.
